(b) The Holder acknowledges that the Conversion Shares have not been and will not be registered under the Securities Act and are “restricted securities” under Rule 144 of the Securities Act and must be held indefinitely unless subsequently registered under the Securities Act or sold pursuant to an available exemption therefrom. (d) The Holder acknowledges that the conversion of the Loan amount into Conversion Shares is being made pursuant to Section 3(a)(9) of the Securities Act, which is an exemption from the registration requirements of the Securities Act.

(e) The Holder, either alone or together with its representatives, has such knowledge, sophistication and experience in business and financial matters so as to be capable of evaluating the merits and risks of the prospective investment in the Conversion Shares, and has so evaluated the merits and risks of such investment. (ii) all dividends and interest (other than such cash dividends and interest as are permitted to be paid to any Grantor in accordance with clause (i) above) and all other distributions in respect of any of the Pledged Equity, whenever paid or made, shall be delivered to the Secured Party to hold as Pledged Equity and shall, if received by any Grantor, be received in trust for the benefit of the Secured Party, be segregated from the other property or funds of such Grantor, and be forthwith delivered to the Secured Party as Pledged Equity in the same form as so received (with any necessary endorsement).

SECTION 7. Remedies Upon Event of Default: Application of Proceeds If any Event of Default shall have occurred and be continuing:

(a) Secured Party may exercise in respect of the Collateral, in addition to any other rights and remedies provided for herein, in any other Transaction Document or otherwise available to it, all of the rights and remedies of a secured party upon default under the Code (whether or not the Code applies to the affected Collateral), and also may (i) take absolute control of the Collateral, including, without limitation, transfer into the Secured Party's name or into the name of its nominee or nominees (to the extent the Secured Party has not theretofore done so) and thereafter receive, all payments made thereon, give all consents, waivers and ratifications in respect thereof and otherwise act with respect thereto as though it were the outright owner thereof, (ii) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of the Secured Party forthwith, assemble all or part of its respective Collateral as directed by the Secured Party and make it available to the Secured Party at a place or places to be designated by the Secured Party that is reasonably convenient to both parties, and the Secured Party may enter into and occupy any premises owned or leased by any Grantor where the Collateral or any part thereof is located or assembled for a reasonable period in order to effectuate the Secured Party's rights and remedies hereunder or under law, without obligation to any Grantor in respect of such occupation, and (iii) without notice except as specified below and without any obligation to prepare or process the Collateral for sale, (A) sell the Collateral or any part thereof in one or more parcels at public or private sale (including, without limitation, by credit bid), at any of the Secured Party's offices or elsewhere, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as the Secured Party may deem commercially reasonable and/or (B) lease, license or dispose of the Collateral or any part thereof upon such terms as the Secured Party may deem commercially reasonable. Each Grantor agrees that, to the extent notice of sale or any other disposition of its respective Collateral shall be required by law, at least ten (10) days' notice to any Grantor of the time and place of any public sale or the time after which any private sale or other disposition of its respective Collateral is to be made shall constitute reasonable notification. The Secured Party shall not be obligated to make any sale or other disposition of any Collateral regardless of notice of sale having been given. The Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor hereby waives any claims against the Secured Party arising by reason of the fact that the price at which its respective Collateral may have been sold at a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Obligations, and waives all rights that any Grantor may have to require that all or any part of such Collateral be marshaled upon any sale (public or private) thereof. Each Grantor hereby acknowledges that (i) any such sale of its respective Collateral by the Secured Party shall be made without warranty, (ii) the Secured Party may specifically disclaim any warranties of title, possession, quiet enjoyment or the like, and (iii) such actions set forth in clauses (i) and (ii) above shall not adversely affect the commercial reasonableness of any such sale of Collateral. In addition to the foregoing, (1) upon written notice to any Grantor from the Secured Party after and during the continuance of an Event of Default, such Grantor shall cease any use of the Intellectual Property or any trademark, patent or copyright similar thereto for any purpose described in such notice; (2) the Secured Party may, at any time and from time to time after and during the continuance of an Event of Default, upon 10 days' prior notice to such Grantor, license, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any of the Intellectual Property, throughout the universe for such term or terms, on such conditions, and in such manner, as the Secured Party shall in its sole discretion determine; and (3) the Secured Party may, at any time, pursuant to the authority granted in Section 6 hereof or otherwise (such authority being effective upon the occurrence and during the continuance of an Event of Default), execute and deliver on behalf of such Grantor, one or more instruments of assignment of the Intellectual Property (or any application or registration thereof), in form suitable for filing, recording or registration in any country.

Security Agreement and Pledge

(b) Any cash held by the Secured Party as Collateral and all Cash Proceeds received by the Secured Party in respect of any sale or disposition of or collection from, or other realization upon, all or any part of the Collateral shall be applied as follows: first, to pay any fees, indemnities or expense reimbursements then due to the Secured Party (including those described in Section 8 hereof); second, to pay interest due under the Note owing; third, to pay or prepay principal in respect of the Note, whether or not then due; fourth, to pay or prepay any other Obligations, whether or not then due, in such order and manner as the Secured Party shall elect. Any surplus of such cash or Cash Proceeds held by the Secured Party and remaining after the Payment in Full of all of the Obligations shall be paid over to whomsoever shall be lawfully entitled to receive the same or as a court of competent jurisdiction shall direct.

(c) In the event that the proceeds of any such sale, disposition, collection or realization are insufficient to pay all amounts to which the Secured Party is legally entitled, each Grantor shall be, jointly and severally, liable for the deficiency, together with interest thereon at the highest rate specified in the Note for interest on overdue principal thereof or such other rate as shall be fixed by applicable law, together with the costs of collection and the reasonable fees, costs, expenses and other charges of any attorneys employed by the Secured Party to collect such deficiency.

(d) To the extent that applicable law imposes duties on the Secured Party to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it is commercially reasonable for the Secured Party (i) to fail to incur expenses deemed significant by the Secured Party to prepare Collateral for disposition or otherwise to transform raw material or work in process into finished goods or other finished products for disposition, (ii) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (iii) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove Liens on or any adverse claims against Collateral, (iv) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (v) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (vi) to contact other Persons, whether or not in the same business as any Grantor, for expressions of interest in acquiring all or any portion of such Collateral, (vii) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the Collateral is of a specialized nature, (viii) to dispose of Collateral by utilizing internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capacity of doing so, or that match buyers and sellers of assets, (ix) to dispose of assets in wholesale rather than retail markets, (x) to disclaim disposition warranties, such as title, possession or quiet enjoyment, (xi) to purchase insurance or credit enhancements to insure the Secured Party against risks of loss, collection or disposition of Collateral or to provide to the Secured Party a guaranteed return from the collection or disposition of Collateral, or (xii) to the extent deemed appropriate by the Secured Party, to obtain the services of brokers, investment bankers, consultants, attorneys and other professionals to assist the Secured Party in the collection or disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this section is to provide non-exhaustive indications of what actions or omissions by the Secured Party would be commercially reasonable in the Secured Party's exercise of remedies against the Collateral and that other actions or omissions by the Secured Party shall not be deemed commercially unreasonable solely on account of not being indicated in this section. Without limitation upon the foregoing, nothing contained in this section shall be construed to grant any rights to any Grantor or to impose any duties on the Secured Party that would not have been granted or imposed by this Agreement or by applicable law in the absence of this section.

Security Agreement and Pledge

(e) The Secured Party shall not be required to marshal any present or future collateral security (including, but not limited to, this Agreement and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of the Secured Party's rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that any Grantor lawfully may, each Grantor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of the Secured Party's rights under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Grantor hereby irrevocably waives the benefits of all such laws.

SECTION 8. Indemnity and Expenses.

(a) Each Grantor agrees, jointly and severally, to defend, protect, indemnify and hold the Secured Party harmless from and against any and all claims, damages, losses, liabilities, obligations, penalties, fees, costs and expenses (including, without limitation, reasonable legal fees, costs, expenses, and disbursements of such Person's counsel) to the extent that they arise out of or otherwise result from this Agreement (including, without limitation, enforcement of this Agreement), except to the extent resulting from such Person's gross negligence or willful misconduct, as determined by a final judgment of a court of competent jurisdiction no longer subject to appeal.

(b) Each Grantor agrees, jointly and severally, to pay to the Secured Party upon demand the amount of any and all costs and expenses, including the reasonable fees, costs, expenses and disbursements of counsel for the Secured Party and of any experts and agents (including, without limitation, any collateral trustee which may act as agent of the Secured Party), which the Secured Party may incur in connection with (i) the preparation, negotiation, execution, delivery, recordation, administration, amendment, waiver or other modification or termination of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any Collateral, (iii) the exercise or enforcement of any of the rights of the Secured Party hereunder, or (iv) the failure by any Grantor to perform or observe any of the provisions hereof.

SECTION 9. Notices, Etc. All notices and other communications provided for hereunder shall be in writing and shall be mailed (by certified mail, first-class postage prepaid and return receipt requested), e-mailed or delivered, if to any Grantor, to the Company's address, or if to the Secured Party, to it at its respective address, each as set forth in Section 6.6 of the Note; or as to any such Person, at such other address as shall be designated by such Person in a written notice to all other parties hereto complying as to delivery with the terms of this Section 9. All such notices and other communications shall be effective (a) if sent by certified mail, return receipt requested, when received or three (3) Business Days after deposited in the mails, whichever occurs first, (b) if e-mailed, when transmitted (during normal business hours) and confirmation is received, and otherwise, the day after the notice or communication was transmitted and confirmation is received, or (c) if delivered in person, upon delivery. For the avoidance of doubt, all Foreign Subsidiaries, as Grantors, hereby appoint the Company as its agent for receipt of service of process and all notices and other communications in the United States at the address specified below.

SECTION 10. Miscellaneous.

(a) No amendment of any provision of this Agreement shall be effective unless it is in writing and signed by each Grantor and the Secured Party, and no waiver of any provision of this Agreement, and no consent to any departure by each Grantor therefrom, shall be effective unless it is in writing and signed by each Grantor and the Secured Party, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) No failure on the part of the Secured Party to exercise, and no delay in exercising, any right reasonably hereunder or under any of the other Transaction Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any such right reasonably preclude any other or further exercise thereof or the exercise of any other right. The rights and remedies of the Secured Party provided herein and in the other Transaction Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights of the Secured Party under any of the other Transaction Documents against any party thereto are not conditional or contingent on any attempt by such Person to exercise any of its rights under any of the other Transaction Documents against such party or against any other Person, including but not limited to, any Grantor.

Security Agreement and Pledge

(c) Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(d) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until Payment in Full of the Obligations, and (ii) be binding on each Grantor and all other Persons who become bound as debtor to this Agreement in accordance with Section 9-203(d) of the Code and shall inure, together with all rights and remedies of the Secured Party, to the benefit of the Secured Party and its respective permitted successors, transferees and assigns. Without limiting the generality of clause (ii) of the immediately preceding sentence, without notice to any Grantor, the Secured Party may assign or otherwise transfer its rights and obligations under this Agreement and any of the other Transaction Documents, to any other Person and such other Person shall thereupon become vested with all of the benefits in respect thereof granted to the Secured Party herein or otherwise. Upon any such assignment or transfer, all references in this Agreement to the Secured Party shall mean the assignee of the Secured Party. None of the rights or obligations of any Grantor hereunder may be assigned or otherwise transferred without the prior written consent of the Secured Party, and any such assignment or transfer without such consent of the Secured Party shall be null and void.

(e) Upon the Payment in Full of the Obligations, (i) this Agreement and the security interests created hereby shall terminate and all rights to the Collateral shall revert to the respective Grantor that granted such security interests hereunder, and (ii) the Secured Party will, upon any Grantor's request and at such Grantor's expense, (A) return to such Grantor such of the Collateral as shall not have been sold or otherwise disposed of or applied pursuant to the terms hereof and (B) execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination, all without any representation, warranty or recourse whatsoever.

(f) Governing Law; Jurisdiction; Jury Trial.

(i) All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York.

(ii) Each Grantor hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or under any of the other Transaction Documents or with any transaction contemplated hereby or thereby, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim, defense or objection that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under Section 6.6 of the Note and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Secured Party from bringing suit or taking other legal action against any Grantor in any other jurisdiction to collect on a Grantor's obligations or to enforce a judgment or other court ruling in favor of the Secured Party.

Security Agreement and Pledge

(iii) WAIVER OF JURY TRIAL, ETC. EACH GRANTOR IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR UNDER ANY OTHER TRANSACTION DOCUMENT OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, ANY OTHER TRANSACTION DOCUMENT OR ANY TRANSACTION CONTEMPLATED HEREBY OR THEREBY.

(iv) Each Grantor irrevocably and unconditionally waives any right it may have to claim or recover in any legal action, suit or proceeding referred to in this Section any special, exemplary, indirect, incidental, punitive or consequential damages.

(g) Section headings herein are included for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

(h) This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be deemed to be an original, but all of which taken together constitute one and the same Agreement. Delivery of any executed counterpart of a signature page of this Agreement by pdf, facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

(i) This Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the Secured Party or any other Person (upon (i) the occurrence of any Insolvency Proceeding of any of the Company or any Grantor or (ii) otherwise, in all cases as though such payment had not been made).

SECTION 11. Material Non-Public Information. Upon receipt or delivery by the Company of any notice in accordance with the terms of this Agreement, unless the Company has in good faith determined that the matters relating to such notice do not constitute material, non- public information relating to the Company or any of its Subsidiaries, the Company shall within one (1) Business Day after any such receipt or delivery publicly disclose such material, non-public information on a Current Report on Form 8-K or otherwise. In the event that the Company believes that a notice contains material, non-public information relating to the Company or any of its Subsidiaries, the Company so shall indicate to the Secured Party contemporaneously with delivery of such notice, and in the absence of any such indication, the Secured Party shall be allowed to presume that all matters relating to such notice do not constitute material, non-public information relating to the Company or its Subsidiaries.

(the **Secured Party**”). All capitalized terms not otherwise defined herein shall have the meanings respectively ascribed thereto in the Note (as defined below).

WHEREAS, Akerna Corp., a Delaware corporation with offices located at 1550 Larimer Street, #246, Floor, Denver, CO 80202 (the **Company**”), is party to (i) the Secured Promissory Note, dated as of even date herewith (as amended, restated, extended, replaced or otherwise modified from time to time, the **Note**);

WHEREAS, it is a condition precedent to the issuance of the Note that each Grantor has executed and delivered a Security and Pledge Agreement made by the Grantors to the Secured Party (as amended, modified, supplemented, renewed, restated or replaced from time to time, the **Security Agreement**”);

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Secured Party a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and other governmental authorities;

WHEREAS, the Grantors have determined that the execution, delivery and performance of this IP Security Agreement directly benefits, and is in the best interest of, the Grantors;

NOW, THEREFORE, in consideration of the premises and the agreements herein and in order to induce the Secured Party to perform under the Note and the Security Agreement, each Grantor agrees with the Secured Party as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Secured Party a security interest in all of such Grantor’s right, title and interest in and to the following (the **Collateral**”):

(i) the Patents and Patent applications set forth in Schedule A hereto;

(ii) the Trademark and service mark registrations and applications set forth in Schedule B hereto (provided that no security interest shall be granted in United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law), together with the goodwill symbolized thereby;

31

(iii) all Copyrights, whether registered or unregistered, now owned or hereafter acquired by such Grantor, including, without limitation, the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto;

(iv) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in, the Collateral by each Grantor under this IP Security Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Note and the other Transaction Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks and any other applicable government officer record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Secured Party with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

32

SECTION 6. Governing Law; Jurisdiction; Jury Trial.

(i) All questions concerning the construction, validity, enforcement and interpretation of this Agreement shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York.

(ii) Each Grantor hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or under any of the other Transaction Documents or with any transaction contemplated hereby or thereby, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim, defense or objection that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under Section 6.6 of the Note and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Secured Party from bringing suit or taking other legal action against any Grantor in any other jurisdiction to collect on a Grantor’s obligations or to enforce a judgment or other court ruling in favor of the Secured Party.

(iii) WAIVER OF JURY TRIAL, ETC. EACH GRANTOR IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR UNDER ANY OTHER TRANSACTION DOCUMENT OR IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, ANY OTHER TRANSACTION DOCUMENT OR ANY TRANSACTION CONTEMPLATED HEREBY OR THEREBY.

(iv) Each Grantor irrevocably and unconditionally waives any right it may have to claim or recover in any legal action, suit or proceeding referred to in this Section any special, exemplary, indirect, incidental, punitive or consequential damages.

(a) The Guarantors, jointly and severally, hereby unconditionally and irrevocably, guaranty to the Secured Party, the punctual payment, as and when due and payable, by stated maturity or otherwise, of all Obligations, including, without limitation, all interest, make-whole and other amounts that accrue after the commencement of any Insolvency Proceeding of the Company or any Guarantor, whether or not the payment of such interest, make-whole and/or other amounts are enforceable or are allowable in such Insolvency Proceeding, and all fees, interest, premiums, penalties, causes of actions, costs, commissions, expense reimbursements, indemnifications and all other amounts due or to become due under the Note (all of the foregoing collectively being the “**Guaranteed Obligations**”), and agrees to pay any and all costs and expenses (including counsel fees and expenses) incurred by the Secured Party in enforcing any rights under this Guaranty or the Note or the Security Agreement (collectively, the “**Transaction Documents**”). Without limiting the generality of the foregoing, each Guarantor’s liability hereunder shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by the Company to the Secured Party under the Note but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Transaction Party.

(b) Each Guarantor, and by its acceptance of this Guaranty, the Secured Party, hereby confirms that it is the intention of all such Persons that this Guaranty and the Guaranteed Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal, provincial, state, or other applicable law to the extent applicable to this Guaranty and the Guaranteed Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Secured Party and the Guarantors hereby irrevocably agree that the Guaranteed Obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the Guaranteed Obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

SECTION 3. Guaranty Absolute; Continuing Guaranty; Assignments

(a) The Guarantors, jointly and severally, guaranty that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Transaction Documents, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Secured Party with respect thereto. The obligations of each Guarantor under this Guaranty are independent of the Guaranteed Obligations, and a separate action or actions may be brought and prosecuted against any Guarantor to enforce such obligations, irrespective of whether any action is brought against any Transaction Party or whether any Transaction Party is joined in any such action or actions. The liability of any Guarantor under this Guaranty shall be as a primary obligor (and not merely as a surety) and shall be irrevocable, absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives, to the extent permitted by law, any defenses it may now or hereafter have in any way relating to, any or all of the following:

(i) any lack of validity or enforceability of any Transaction Document;

(ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other amendment or waiver of or any consent to departure from any Transaction Document, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Transaction Party or extension of the maturity of any Guaranteed Obligations or otherwise;

3

(iii) any taking, exchange, release or non-perfection of any Collateral;

(iv) any taking, release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Guaranteed Obligations;

(v) any change, restructuring or termination of the corporate, limited liability company or partnership structure or existence of any Transaction Party;

(vi) any manner of application of Collateral or any other collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any Collateral or any other collateral for all or any of the Guaranteed Obligations or any other Obligations of any Transaction Party under the Transaction Documents or any other assets of any Transaction Party or any of its Subsidiaries;

(vii) any failure of the Secured Party to disclose to any Transaction Party any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Transaction Party now or hereafter known to the Secured Party (each Guarantor waiving any duty on the part of the Secured Party to disclose such information);

(viii) taking any action in furtherance of the release of any Guarantor or any other Person that is liable for the Obligations from all or any part of any liability arising under or in connection with any Transaction Document without the prior written consent of the Secured Party; or

(ix) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by the Secured Party that might otherwise constitute a defense available to, or a discharge of, any Transaction Party or any other guarantor or surety.

(b) This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by the Secured Party or any other Person upon the insolvency, bankruptcy or reorganization of any Transaction Party or otherwise, all as though such payment had not been made.

4

(c) This Guaranty is a continuing guaranty and shall (i) remain in full force and effect until Payment in Full of the Guaranteed Obligations (other than inchoate indemnity obligations) and shall not terminate for any reason prior to the respective Maturity Date of the Note (other than Payment in Full of the Guaranteed Obligations) and (ii) be binding upon each Guarantor and its respective successors and assigns. This Guaranty shall inure to the benefit of and be enforceable by the Secured Party, and its successors, and permitted pledgees, transferees and assigns. Without limiting the generality of the foregoing sentence, the Secured Party may pledge, assign or otherwise transfer all or any portion of its rights and obligations under and subject to the terms of any Transaction Document to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Secured Party herein or otherwise, in each case as provided in the Transaction Documents.

SECTION 4. Waivers. To the extent permitted by applicable law, each Guarantor hereby waives promptness, diligence, protest, notice of acceptance and any other notice or formality of any kind with respect to any of the Guaranteed Obligations and this Guaranty and any requirement that the Secured Party exhaust any right or take any action against any Transaction Party or any other Person or any Collateral. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated herein and that the waiver set forth in this Section 4 is knowingly made in contemplation of such benefits. The Guarantors hereby waive any right to

revoke this Guaranty, and acknowledge that this Guaranty is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future. Without limiting the foregoing, to the extent permitted by applicable law, each Guarantor hereby unconditionally and irrevocably waives (a) any defense arising by reason of any claim or defense based upon an election of remedies by the Secured Party that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of such Guarantor or other rights of such Guarantor to proceed against any of the other Transaction Parties, any other guarantor or any other Person or any Collateral, and (b) any defense based on any right of set-off or counterclaim against or in respect of the Guaranteed Obligations of such Guarantor hereunder. Each Guarantor hereby unconditionally and irrevocably waives any duty on the part of the Secured Party to disclose to such Guarantor any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any other Transaction Party or any of its Subsidiaries now or hereafter known by the Secured Party.

SECTION 5. Subrogation. No Guarantor may exercise any rights that it may now or hereafter acquire against any Transaction Party or any other guarantor that arise from the existence, payment, performance or enforcement of any Guarantor's obligations under this Guaranty, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of the Secured Party against any Transaction Party or any other guarantor or any Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Transaction Party or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until there has been Payment in Full of the Guaranteed Obligations. If any amount shall be paid to a Guarantor in violation of the immediately preceding sentence at any time prior to Payment in Full of the Guaranteed Obligations and all other amounts payable under this Guaranty, such amount shall be held in trust for the benefit of the Secured Party and shall forthwith be paid to the Secured Party to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the Transaction Document, or to be held as Collateral for any Guaranteed Obligations or other amounts payable under this Guaranty thereafter arising. If (a) any Guarantor shall make payment to the Secured Party of all or any part of the Guaranteed Obligations, and (b) there has been Payment in Full of the Guaranteed Obligations, the Secured Party will, at such Guarantor's request and expense, execute and deliver to such Guarantor appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to such Guarantor of an interest in the Guaranteed Obligations resulting from such payment by such Guarantor.

5

SECTION 6. Representations, Warranties and Covenants.

(a) Each Guarantor, jointly and severally with each other Grantor, hereby represents and warrants with respect to itself and each other Grantor as of the date first written above as follows:

(i) such Guarantor (A) is a corporation, limited liability company or limited partnership duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization as set forth on the signature pages hereto, (B) has all requisite corporate, limited liability company or limited partnership power and authority to conduct its business as now conducted and as presently contemplated and to execute, deliver and perform its obligations under this Guaranty and each other Transaction Document to which such Guarantor is a party, and to consummate the transactions contemplated hereby and thereby and (C) is duly qualified to do business and is in good standing in each jurisdiction in which the character of the properties owned or leased by it or in which the transaction of its business makes such qualification necessary except where the failure to be so qualified (individually or in the aggregate) would not result in a Material Adverse Effect.

(ii) The execution, delivery and performance by such Guarantor of this Guaranty and each other Transaction Document to which such Guarantor is a party (A) have been duly authorized by all necessary corporate, limited liability company or limited partnership action, (B) do not and will not contravene its charter, articles, certificate of formation or by-laws, its limited liability company or operating agreement or its certificate of partnership or partnership agreement, as applicable, or any applicable law or any contractual restriction binding on such Guarantor or its properties do not and will not result in or require the creation of any lien, security interest or encumbrance (other than pursuant to any Transaction Document) upon or with respect to any of its properties, and (C) do not and will not result in any default, noncompliance, suspension, revocation, impairment, forfeiture or nonrenewal of any material permit, license, authorization or approval applicable to it or its operations or any of its properties.

(iii) No authorization or approval or other action by, and no notice to or filing with, any Governmental Authority or other Person is required in connection with the due execution, delivery and performance by such Guarantor of this Guaranty or any of the other Transaction Documents to which such Guarantor is a party (other than expressly provided for in any of the Transaction Documents).

(iv) This Guaranty has been duly executed and delivered by each Guarantor and is, and each of the other Transaction Documents to which such Guarantor is or will be a party, when executed and delivered, will be, a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms, except as may be limited by the Bankruptcy Code or other applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, suretyship or similar laws and equitable principles (regardless of whether enforcement is sought in equity or at law).

6

(v) There is no pending or, to the best knowledge of such Guarantor, threatened action, suit or proceeding against such Guarantor or to which any of the properties of such Guarantor is subject, before any court or other Governmental Authority or any arbitrator that (A) if adversely determined, could reasonably be expected to have a Material Adverse Effect or (B) relates to this Guaranty or any of the other Transaction Documents to which such Guarantor is a party or any transaction contemplated hereby or thereby.

(vi) Such Guarantor (A) has read and understands the terms and conditions of the Transaction Documents, and (B) now has and will continue to have independent means of obtaining information concerning the affairs, financial condition and business of the Company and the other Transaction Parties, and has no need of, or right to obtain from the Secured Party, any credit or other information concerning the affairs, financial condition or business of the Company or the other Transaction Parties.

(vii) There are no conditions precedent to the effectiveness of this Guaranty that have not been satisfied or waived.

(b) Each Guarantor covenants and agrees that until Payment in Full of the Guaranteed Obligations, it will comply with each of the covenants (except to the extent applicable only to a public company) which are set forth in the Note as if such Guarantor were a party thereto.

SECTION 7. Right of Set-off. Upon the occurrence and during the continuance of any Event of Default, the Secured Party may, and is hereby authorized to, at any time and from time to time, without notice to the Guarantors (any such notice being expressly waived by each Guarantor) and to the fullest extent permitted by law, set-off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by the Secured Party to or for the credit or the account of any Guarantor against any and all obligations of the Guarantors now or hereafter existing under this Guaranty or any other Transaction Document, irrespective of whether or not the Secured Party shall have made any demand under this Guaranty or any other Transaction Document and although such obligations may be contingent or unmatured. The Secured Party agrees to notify the relevant Guarantor promptly after any such set-off and application made by the Secured Party, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Secured Party under this Section 7 are in addition to other rights and remedies (including, without limitation, other rights of set-off) which the Secured Party may have under this Guaranty or any other Transaction Document in law or

otherwise.

SECTION 8. Limitation on Guaranteed Obligations.

(a) Notwithstanding any provision herein contained to the contrary, each Guarantor's liability hereunder shall be limited to an amount not to exceed as of any date of determination the greater of:

(i) the amount of all Guaranteed Obligations, plus interest thereon at the applicable Interest Rate as specified in the Note; and

7

(ii) the amount which could be claimed by the Secured Party from any Guarantor under this Guaranty without rendering such claim voidable or avoidable under the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law after taking into account, among other things, Guarantor's right of contribution and indemnification.

(b) Each Guarantor agrees that the Guaranteed Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guaranty hereunder or affecting the rights and remedies of the Secured Party hereunder or under applicable law.

(c) No payment made by the Company, any Guarantor, any other guarantor or any other Person or received or collected by the Secured Party from the Company, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Guaranteed Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Guaranteed Obligations or any payment received or collected from such Guarantor in respect of the Guaranteed Obligations), remain liable for the Guaranteed Obligations up to the maximum liability of such Guarantor hereunder until after all of the Guaranteed Obligations and all other amounts payable under this Guaranty shall have been Paid in Full.

SECTION 9. Notices, Etc. Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Guaranty must be in writing and will be deemed to have been delivered: (i) upon receipt, when delivered personally; (ii) upon receipt, when sent by facsimile (provided confirmation of transmission is mechanically or electronically generated and kept on file by the sending party); or (iii) one (1) Business Day after deposit with a nationally recognized overnight courier service with next day delivery specified, in each case, properly addressed to the party to receive the same. All notices and other communications provided for hereunder shall be sent, if to any Guarantor, to the Company's address and/or facsimile number, or if to the Secured Party, to it at its respective address and/or facsimile number, each as set forth in Section 6.6 of the Note.

SECTION 10. Governing Law; Jurisdiction. All questions concerning the construction, validity, enforcement and interpretation of this Guaranty shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdiction other than the State of New York. Each Guarantor hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or under any of the other Transaction Documents or with any transaction contemplated hereby or thereby, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim, obligation or defense that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under Section 6.6 of the Note and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. Nothing contained herein shall be deemed or operate to preclude the Secured Party from bringing suit or taking other legal action against any Guarantor in any other jurisdiction to collect on a Guarantor's obligations or to enforce a judgment or other court ruling in favor of the Secured Party.

8

SECTION 11. WAIVER OF JURY TRIAL, ETC. EACH GUARANTOR HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR UNDER ANY OTHER TRANSACTION DOCUMENT OR IN CONNECTION WITH OR ARISING OUT OF THIS GUARANTY, ANY OTHER TRANSACTION DOCUMENT OR ANY TRANSACTION CONTEMPLATED HEREBY OR THEREBY.

SECTION 12. Taxes.

(a) All payments made by any Guarantor hereunder or under any other Transaction Document shall be made in accordance with the terms of the respective Transaction Document and shall be made without set-off, counterclaim, withholding, deduction or other defense. Without limiting the foregoing, all such payments shall be made free and clear of and without deduction or withholding for any present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding taxes imposed on the net income of the Secured Party by the jurisdiction in which the Secured Party is organized or where it has its principal lending office (all such nonexcluded taxes, levies, imposts, deductions, charges, withholdings and liabilities, collectively or individually, "**Taxes**"). If any Guarantor shall be required to deduct or to withhold any Taxes from or in respect of any amount payable hereunder or under any other Transaction Document:

(i) the amount so payable shall be increased to the extent necessary so that after making all required deductions and withholdings (including Taxes on amounts payable to the Secured Party pursuant to this sentence) the Secured Party receives an amount equal to the sum it would have received had no such deduction or withholding been made,

(ii) such Guarantor shall make such deduction or withholding,

(iii) such Guarantor shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law, and

(iv) as promptly as possible thereafter, such Guarantor shall send the Secured Party an official receipt (or, if an official receipt is not available, such other documentation as shall be satisfactory to the Secured Party, as the case may be) showing payment. In addition, each Guarantor agrees to pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made hereunder or from the execution, delivery, registration or enforcement of, or otherwise with respect to, this Guaranty or any other Transaction Document (collectively, "**Other Taxes**").

9

(b) Each Guarantor hereby indemnifies and agrees to hold each Indemnified Party harmless from and against Taxes or Other Taxes (including, without limitation, any Taxes or Other Taxes imposed by any jurisdiction on amounts payable under this Section 12) paid by any Indemnified Party as a result of any payment made hereunder or from the execution, delivery, registration or enforcement of, or otherwise with respect to, this Guaranty or any other Transaction Document, and any liability (including penalties, interest and expenses for nonpayment, late payment or otherwise) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally asserted. This indemnification shall be paid within thirty (30) days from the date on which the Secured Party makes written demand therefor, which demand shall identify the nature and amount of such Taxes or Other Taxes.

(c) If any Guarantor fails to perform any of its obligations under this Section 12, such Guarantor shall indemnify the Secured Party for any taxes, interest or penalties that may become payable as a result of any such failure. The obligations of the Guarantors under this Section 12 shall survive the termination of this Guaranty and the payment of the Obligations and all other amounts payable hereunder.

SECTION 13. Indemnification.

(a) Without limitation of any other obligations of any Guarantor or remedies of the Secured Party under this Guaranty or applicable law, except to the extent resulting from such Indemnified Party's gross negligence, fraud or willful misconduct, as determined by a final judgment of a court of competent jurisdiction no longer subject to appeal, each Guarantor shall, to the fullest extent permitted by law, indemnify, defend and save and hold harmless the Secured Party and each of its affiliates and its officers, directors, employees, agents and advisors (each, an "**Indemnified Party**") from and against, and shall pay on demand, any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party in connection with or as a result of any failure of any Guaranteed Obligations to be the legal, valid and binding obligations of any Transaction Party enforceable against such Transaction Party in accordance with their terms.

(b) Each Guarantor hereby also agrees that none of the Indemnified Parties shall have any liability (whether direct or indirect, in contract, tort or otherwise) or any fiduciary duty or obligation to any of the Guarantors or any of their respective affiliates or any of their respective officers, directors, employees, agents and advisors, and each Guarantor hereby agrees not to assert any claim against any Indemnified Party on any theory of liability, for special, indirect, consequential, incidental or punitive damages arising out of or otherwise relating to the facilities, the actual or proposed use of the proceeds of the advances, the Transaction Documents or any of the transactions contemplated by the Transaction Documents.

SECTION 14. Miscellaneous.

(a) Each Guarantor will make each payment hereunder in lawful money of the United States of America and in immediately available funds to the Secured Party, at such address specified by the Secured Party from time to time by notice to the Guarantors.

(b) No amendment or waiver of any provision of this Guaranty and no consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be in writing and signed by each Guarantor, the Secured Party, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

10

(c) No failure on the part of the Secured Party to exercise, and no delay in exercising, any right or remedy hereunder or under any other Transaction Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder or under any Transaction Document preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies of the Secured Party provided herein and in the other Transaction Documents are cumulative and are in addition to, and not exclusive of, any rights or remedies provided by law. The rights and remedies of the Secured Party under any Transaction Document against any party thereto are not conditional or contingent on any attempt by the Secured Party to exercise any of their respective rights or remedies under any other Transaction Document against such party or against any other Person.

(d) Any provision of this Guaranty that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

(e) This Guaranty is a continuing guaranty and shall (i) remain in full force and effect until Payment in Full of the Guaranteed Obligations (other than inchoate indemnity obligations) and shall not terminate for any reason prior to the respective Maturity Date of each Note (other than Payment in Full of the Guaranteed Obligations) and (ii) be binding upon each Guarantor and its respective successors and assigns. This Guaranty shall inure, together with all rights and remedies of the Secured Party hereunder, to the benefit of and be enforceable by the Secured Party and its successors, and permitted pledgees, transferees and assigns. Without limiting the generality of the foregoing sentence, the Secured Party may pledge, assign or otherwise transfer all or any portion of its rights and obligations under and subject to the terms of any other Transaction Document to any other Person in accordance with the terms thereof, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Secured Party (as applicable) herein or otherwise, in each case as provided in such Transaction Document. None of the rights or obligations of any Guarantor hereunder may be assigned or otherwise transferred without the prior written consent of the Secured Party.

(f) This Guaranty and the other Transaction Documents reflect the entire understanding of the transaction contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, entered into before the date hereof.

(g) Section headings herein are included for convenience of reference only and shall not constitute a part of this Guaranty for any other purpose.

SECTION 15. Currency Indemnity.

If, for the purpose of obtaining or enforcing judgment against Guarantor in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 15 referred to as the "**Judgment Currency**") an amount due under this Guaranty in any currency (the "**Obligation Currency**") other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding (a) the date of actual payment of the amount due, in the case of any proceeding in the courts of the jurisdiction that will give effect to such conversion being made on such date, or (b) the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 15 being hereinafter in this Section 15 referred to as the "**Judgment Conversion Date**").

11

If, in the case of any proceeding in the court of any jurisdiction referred to in the preceding paragraph, there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt of the amount due in immediately available funds, the Guarantors shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange

prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from the Guarantors under this Section 15 shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of this Guaranty.

SECTION 16. Amendment and Restatement. Each party hereto agrees that this Guaranty is an amendment and restatement of the Existing Guaranty in its entirety and is given in renewal and replacement (but not extinguishment) of the Existing Guaranty.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

Subordinated Creditor hereby waives any and all rights it may have to contest, protest, object to, interfere with the manner in which the Senior Agent or Senior Creditors seek to enforce the Liens in any Collateral (it being understood and agreed that the terms of this Agreement shall govern with respect to the Collateral even if any portion of the Liens securing all or any portion of the Senior Debt are avoided, disallowed, set aside, or otherwise invalidated in any Insolvency Proceeding, judicial proceeding or otherwise).

(c) Subordinated Creditor acknowledges and agrees that the Senior Agent, for the benefit of itself and the Senior Lenders, has been granted Liens upon all of the Collateral in which the Subordinated Creditor has been granted Liens and Subordinated Creditor hereby consents thereto. Subordinated Creditor agrees that it shall not obtain a Lien on any asset or Collateral to secure all or any portion of the Subordinated Debt unless concurrently therewith, the Senior Agent obtains a Lien on such asset or Collateral and the parties hereby agree that all such Liens are and will be subject to this Agreement. The Senior Agent, for and on behalf of itself and the other Senior Lenders, acknowledge and agree that the Subordinated Creditor has been granted Liens upon all of the Collateral in which the Senior Agent has been granted Liens and the Senior Agent hereby consents thereto subject to the terms and conditions set forth in this Agreement. The subordination of Liens and claims by the Subordinated Creditor in favor of the Senior Agent and the Senior Creditors shall not be deemed to subordinate any Subordinated Creditor's Liens or claims to the Liens or claims of any other Person that is not a holder of Senior Debt or a permitted successor or assignee thereof.

(d) The grants of Liens pursuant to the Senior Debt Documents and the Subordinated Debt Documents constitute two separate and distinct grants. Because of, among other things, their differing rights in the Collateral, the obligations under the Subordinated Debt Documents, to the extent deemed to be "secured claims" within the meaning of Section 506(b) of the Bankruptcy Code, are fundamentally different from the obligations under the Senior Debt Documents and must be separately classified in any plan of reorganization in an Insolvency Proceeding. The Subordinated Creditor will not, directly or indirectly, seek in an Insolvency Proceeding to be treated as part of the same class of creditors as the Senior Creditors and will not, directly or indirectly, oppose or contest any pleading by the Senior Creditor seeking separate classification of their respective secured claims. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of any of the Senior Creditors and the Subordinated Creditor in respect of the Collateral constitute only one secured claim (rather than separate classes of senior and junior secured claims), then each of the parties hereto hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Obligors in respect of the Collateral, with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Subordinated Creditor), the Senior Creditors shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, fees, expenses and amounts before any distribution is made in respect of the claims held by the Subordinated Creditor, with the Subordinated Creditor hereby acknowledging and agreeing to turn over to the Senior Agent, on behalf of Senior Creditors, amounts otherwise received or receivable by it to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Subordinated Creditor.

(e) In the event of any private or public sale or other disposition of all or any portion of the Collateral in connection with a Release Event at any time prior to the date upon which the Payment in Full of the Senior Debt shall have occurred, Subordinated Creditor agrees that such sale or disposition will be free and clear of the Liens securing the Subordinated Debt and, if the sale or other disposition includes equity interests in any Obligor or any of its Subsidiaries, Subordinated Creditor further agrees that it shall, with such cost and expense incurred in connection therewith being added to the Subordinated Debt, release the Persons whose equity interests are sold or otherwise disposed of from all Subordinated Debt; **provided**, that (a) the Senior Agent also releases its Liens on such Collateral (and, if the sale or other disposition includes equity interests in any Obligor or any of its Subsidiaries, the Senior Agent also releases such Persons whose equity interests are sold or otherwise disposed of from all of their obligations in respect of the Senior Debt) and (b) the net cash proceeds from such disposition are applied pursuant to Section 9. Subordinated Creditor agrees that, in connection with any such sale or other disposition, with such cost and expense incurred in connection therewith being added to the Subordinated Debt, (i) the Senior Agent is authorized to file any and all UCC Lien releases and/or terminations of the Liens or foreign law equivalents held by Subordinated Creditor in connection with such a sale or other disposition, and (ii) it will execute any and all Lien releases and releases of Subordinated Debt (including liabilities as borrower or guarantor or surety) or other documents reasonably requested by the Senior Agent in connection therewith and Subordinated Creditor hereby irrevocably appoints the Senior Agent as its lawful attorneys in fact to execute any and all such Lien releases, Subordinated Debt releases and other documents.

(f) Upon any disposition in connection with clauses (a) and (b) of the definition of a Release Event or after the institution of any Insolvency Proceeding (a "Distressed Disposal"), (I) the Senior Agent is irrevocably authorized (x) if the asset which is disposed of consists of all or substantially all of the shares in the capital of a Credit Party, to release (A) that Credit Party and, if all or substantially all of the shares in the capital of any of its Subsidiaries is disposed of, such Subsidiary, from all or any part of the Other Obligations and (B) any other claims of another Credit Party or a non-Credit Party affiliate over that Credit Party's assets and/or over the assets of that Subsidiary, on behalf of the relevant Senior Creditors, Subordinated Creditor and Credit Parties, (y) if the asset which is disposed of consists of all or substantially all of the

shares in the capital of any Credit Party and the Senior Agent decides to dispose of all or any part of the obligations owed by that Credit Party or, if all or substantially all of the shares in the capital of any of its Subsidiaries is disposed of, such Subsidiary, to execute and deliver or enter into any agreement to dispose of all or part of such obligations on behalf of, in each case, the relevant Senior Creditors, the Subordinated Creditor and the Credit Parties, or (z) if the asset which is disposed of consists of all or substantially all of the shares in the capital of a Credit Party (the “**Disposed Credit Party**”) and the Senior Agent decides to transfer to another Credit Party (the “**Receiving Credit Party**”) all or any part of the Disposed Credit Party’s obligations or, if all or substantially all of the shares in the capital of any of its Subsidiaries is disposed of, any obligation of such Subsidiary of the Disposed Credit Party in respect of the obligations of the Credit Parties, to execute and deliver or enter into any agreement to: (1) agree to the transfer of all or part of the obligations in respect of such obligations on behalf of the relevant Credit Parties to which those obligations are owed and on behalf of the Credit Parties which owe those obligations and (2) to accept the transfer of all or part of the obligations in respect of such obligations on behalf of the Receiving Credit Party or Receiving Credit Parties to which the obligations in respect of those obligations to be transferred; and (II) in connection with the dispositions and releases contemplated by clause (I), the Credit Parties shall release the Persons whose equity interests are sold or otherwise disposed of from all Guarantee Liabilities. The Subordinated Creditor and Credit Parties hereby appoint the Senior Agent and any officer or duly authorized person of the Senior Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power of attorney in the place and stead of the Subordinated Creditor and Credit Parties, as applicable, and in the name of the Subordinated Creditor or Credit Parties, as applicable, or in the Senior Agent’s own name, from time to time, in the Senior Agent’s sole discretion, for the purposes of carrying out the terms of this Section 2.06(f), to take any and all appropriate action and to execute and deliver any and all documents and instruments as may be necessary or desirable to accomplish the purposes of this Section 2.06(f), including any financing statements, endorsements, assignments, releases or other documents or instruments of transfer (which appointment, being coupled with an interest, is irrevocable).

2.07 Sale, Transfer or other Disposition of Subordinated Debt.

(a) The Subordinated Creditor shall not assign or otherwise transfer their interests in the Subordinated Debt unless, prior to consummation of any such action, the transferee thereof shall execute and deliver to Senior Agent an agreement binding such transferee to the terms of this Agreement. Notwithstanding the failure of any such assignee or transferee to execute or deliver such a joinder, such assignee or transferee shall be bound by this Agreement as a “Subordinated Creditor”.

(b) The subordination effected hereby shall survive any sale, assignment, pledge, disposition or other transfer of all or any portion of the Subordinated Debt, and the terms of this Agreement shall be binding upon the successors and assigns of Subordinated Creditor, as provided in Section 13 hereof.

2.08 Legends. Until the termination of this Agreement in accordance with Section 19 hereof, the Subordinated Creditor will cause to be clearly, conspicuously and prominently inserted on the face of each Subordinated Debt Document, as well as any renewals or replacements thereof, a legend in substantially the following form:

This agreement and the rights and obligations evidenced hereby are subordinate in the manner and to the extent set forth in that certain Subordination and Intercreditor Agreement (the “**Intercreditor Agreement**”) dated as of April 27, 2023 by and among HT INVESTMENTS MA LLC (the “**Senior Agent**”), the Subordinated Creditor and Akerna Corp. (the “**Borrower**”), and together with the other credit parties party thereto from time to time, each individually a “**Credit Party**” and collectively, the “**Credit Parties**”), to the indebtedness (including interest) owed by the Credit Parties pursuant to, and/or in connection with, those certain Senior Debt Documents among the Borrower, the other Credit Parties thereto, the Senior Agent and the lenders from time to time party thereto, as such Senior Debt Documents have been and hereafter may be amended, restated, extended, restructured, refinanced, supplemented or otherwise modified from time to time in accordance with the terms of the Intercreditor Agreement and to indebtedness refinancing the indebtedness under each of those agreements from time to time as permitted by the Intercreditor Agreement; and each holder of this agreement, by its acceptance hereof, irrevocably agrees to be bound by the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this document, the terms of the Intercreditor Agreement shall govern and control.

2.09 Obligations Hereunder Not Affected. All rights and interest of the Senior Creditors hereunder, and all agreements and obligations of the Subordinated Creditor and the Obligors hereunder, shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any document evidencing any of the Senior Debt;

(b) any change in the time, manner or place of payment of, or any other term of, all or any of the Senior Debt, or any other amendment, restatement or waiver of or any release or consent to departure from any of the Senior Debt Documents;

(c) any exchange, release or non-perfection of any Collateral for all or any of the Senior Debt;

(d) any failure of any Senior Creditor to assert any claim or to enforce any right or remedy against any other party hereto under the provisions of this Agreement or any Senior Debt Document other than this Agreement;

Subordination and Intercreditor Agreement

- 14 -

(e) any reduction, limitation, impairment or termination of the Senior Debt for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to (and the Obligors and the Subordinated Creditor hereby waive any right to or claim of) any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of invalidity, illegality, inauthenticity, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Senior Debt, other than the Payment in Full of the Senior Debt; and

(f) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Obligors in respect of the Senior Debt or any Subordinated Creditor in respect of this Agreement.

Subordinated Creditor acknowledges and agrees that each Senior Creditor may in accordance with the terms of the Senior Debt Documents, without notice or demand and without affecting or impairing any Subordinated Creditor’s obligations hereunder: (i) modify or restate the Senior Debt Documents; (ii) take or hold security for the payment of the Senior Debt and exchange, enforce, foreclose upon, waive and release any such security; (iii) apply such security and direct the order or manner of sale thereof as the Senior Creditors in their sole discretion, may determine; (iv) release and substitute one or more endorsers, warrantors, borrowers or other obligors; and (v) exercise or refrain from exercising any rights against any Obligor or any other Person. All of the Senior Debt shall continue to be treated as Senior Debt and the provisions of this Agreement shall continue to govern the relative rights and priorities of the Senior Creditors and the Subordinated Creditor even if all or part of the Senior Debt or the Liens securing the Senior Debt are subordinated, set aside, voided, avoided, unperfected, invalidated or disallowed.

3. Modifications.

3.01 **Modifications to Senior Debt Documents.** Without limiting any of the foregoing, the Senior Creditors, may at any time and from time to time without the consent of or notice to any Subordinated Creditor, without incurring liability to any Subordinated Creditor and without impairing or releasing the obligations of any Subordinated Creditor under this Agreement, change the manner or place of payment, extend the time of payment of or renew or alter any of the terms of the Senior Debt, or amend or restate in any manner any agreement, note, guaranty or other instrument evidencing or securing or otherwise relating to the Senior Debt.

3.02 **Modifications to Subordinated Debt Documents.**

(a) Until all of the Senior Debt has been Paid in Full, and notwithstanding anything to the contrary contained in the Subordinated Debt Documents, the Subordinated Creditor may not without the prior written consent of the Senior Agent and Senior Creditors, change the manner or place of payment or extend the time of payment of or renew or alter any of the terms of the Subordinated Debt Documents, or amend, restate, refinance, extend, restructure, replace, supplement or otherwise modify in any manner any agreement, note, guaranty or other instrument evidencing or otherwise relating to the Subordinated Debt, provided however, that any amount owed under the Subordinated Debt Documents may be exchanged for Stock at any time without such consent.

5. Bailee for Perfection.

(a) The Senior Agent and the Subordinated Creditor each agree to hold or control that part of the Collateral that is in its possession or control (or in the possession or control of its agents or bailees), to the extent that possession or control thereof is taken to perfect a Lien thereon under the UCC, other applicable law or foreign law equivalent (such Collateral being referred to as the "**Pledged Collateral**"), as bailee and as a non-fiduciary agent for the Subordinated Creditor or the Senior Agent, as applicable (such bailment and agency being intended, among other things, to satisfy the requirements of Sections 8-301(a)(2), 9- 313(c), 9-104, 9-105, 9-106, and 9-107 of the UCC or any foreign law equivalent), solely for the purpose of perfecting the security interest granted on the Collateral under the Subordinated Debt Documents or the Senior Debt Documents, as applicable, subject to the terms and conditions of this Section 5. Unless and until the Senior Debt has been Paid in Full, Subordinated Creditor agrees to promptly notify the Senior Agent of any Pledged Collateral held by it or by Subordinated Creditor, and, promptly upon the request of the Senior Agent, Subordinated Creditor agrees to deliver to the Senior Agent any such Pledged Collateral held by it, together with any necessary endorsements (or otherwise allow the Senior Agent to obtain control of such Pledged Collateral), with such cost and expense incurred in connection therewith shall be added to the Subordinated Debt.

(b) The Senior Agent shall have no obligation whatsoever to Subordinated Creditor to ensure that the Pledged Collateral is genuine or owned by any Obligor or to preserve rights or benefits of any Person except as expressly set forth in this Section 5. The duties or responsibilities of the Senior Agent under this Section 5 shall be limited solely to holding or controlling the Pledged Collateral as bailee and agent in accordance with this Section 5 and delivering the Pledged Collateral upon the Payment in Full of the Senior Debt as provided in clause (d) of this Section 5.

(c) The Senior Agent acting pursuant to this Section 5 shall not have by reason of the Senior Debt Documents, the Subordinated Debt Documents, or this Agreement a fiduciary relationship in respect of any Subordinated Creditor. The Subordinated Creditor acting pursuant to this Section 5 shall not have by reason of the Senior Debt Documents, the Subordinated Debt Documents, or this Agreement a fiduciary relationship in respect of the Senior Agent or any Senior Creditor.

(d) Upon the Payment in Full of the Senior Debt, the Senior Agent shall deliver the remaining Pledged Collateral (if any) together with any necessary endorsements, first, to the Subordinated Creditor to the extent the Subordinated Debt remains outstanding as confirmed in writing by the Subordinated Creditor, and, to the extent that the Subordinated Creditor confirms no Subordinated Debt is outstanding, second, to the Obligors to the extent no Senior Debt and no Subordinated Debt remains outstanding (in each case, so as to allow such Person to obtain possession or control of such Pledged Collateral).

(e) Upon the Payment in Full of the Senior Debt, the Senior Agent shall deliver change notices (or similar documents) necessary to transfer control of deposit accounts from the Senior Agent, first, to the Subordinated Creditor to the extent the Subordinated Debt remains outstanding as confirmed in writing by the Subordinated Creditor, and, to the extent that the Subordinated Creditor confirm no Subordinated Debt is outstanding, second, to the Obligors to the extent no Senior Debt or the Subordinated Debt remains outstanding (in each case, so as to allow such Person to obtain control of such deposit accounts). Except as expressly set forth in the foregoing sentence and notwithstanding anything to the contrary contained in this Section 5, the Senior Agent shall have no obligation to (i) assign any deposit account control agreement with a third party to the Subordinated Creditor to the extent that the terms of such deposit account control agreement prohibit any such assignment or otherwise require the consent of such third party that is not granted or (ii) take any action to assist the Subordinated Creditor with respect to the replacement of any such deposit account control agreement that cannot be so assigned.

6. Representations and Warranties.

6.01 **Representations and Warranties of Subordinated Creditor.** The Subordinated Creditor hereby represents and warrants to the Senior Agent and the Senior Creditors that as of the date hereof: (a) Subordinated Creditor is an entity duly formed and validly existing under the laws of its state of incorporation; (b) Subordinated Creditor has the power and authority to enter into, execute, deliver and carry out the terms of this Agreement, all of which have been duly authorized by all proper and necessary action; (c) the execution of this Agreement by the Subordinated Creditor will not violate or conflict with the organizational documents of the Subordinated Creditor, any material agreement binding upon the Subordinated Creditor or any material law, regulation or order or require any consent or approval which has not been obtained; and (d) this Agreement is the legal, valid and binding obligation of the Subordinated Creditor, enforceable against the Subordinated Creditor in accordance with its terms.

6.02 **Representations and Warranties of Senior Agent.** Senior Agent hereby represents and warrants to the Subordinated Creditor that as of the date hereof: (a) Senior Agent is an entity duly formed and validly existing under the laws of its state of incorporation; (b) it has the power and authority to enter into, execute, deliver and carry out the terms of this Agreement (including without limitation binding the other Senior Creditors for which it is an agent to the terms and conditions of this Agreement), all of which have been duly authorized by all proper and necessary action; and (c) the execution of this Agreement by Senior Agent will not violate or conflict with the organizational documents of Senior Agent, any material agreement binding upon Senior Agent or any material law, regulation or order or require any consent or approval which has not been obtained.

7. Subrogation; Recovery.

(a) After the date of Payment in Full of the Senior Debt, but at no time prior to such date, in the event and to the extent cash, property or securities otherwise payable or deliverable to the holders of the Subordinated Debt shall have been applied pursuant to this Agreement to the payment of Senior Debt, then and in each such event, the holders of the Subordinated Debt shall, in addition to any other rights or remedies Subordinated Creditor may have under common law or otherwise against the Obligors, be subrogated to the rights of each holder of Senior Debt to receive any further payment or Distribution in respect of or applicable to the Senior Debt, and, for the purposes of such subrogation, no payment or Distribution to the holders of Senior Debt of any cash, property or securities to which any holder of Subordinated Debt would be entitled except for the provisions of this Agreement shall, and no payment over pursuant to the provisions of this Agreement to the holders of Senior Debt by the holders of the Subordinated Debt shall, as between any Obligor, its creditors other than the Senior Creditors and the Subordinated Creditor, be deemed to be a payment by such Obligor to or on account of Senior Debt. A Distribution made pursuant to this Agreement to the Senior Agent or the Senior Creditors that otherwise would have been made to a Subordinated Creditor is not, as between the Obligors and Subordinated Creditor, a payment by the Obligors to or on account of the Senior Debt for purposes of determining whether a right of subrogation exists hereunder. Senior Agent and the other Senior Creditors shall have no obligation or duty to protect the Subordinated Creditor's rights or subrogation arising pursuant to this Agreement or under any applicable law or otherwise, nor shall Senior Agent or any other Senior Creditor be liable for any loss to, or impairment of, any subrogation rights held by the Subordinated Creditor. No priority or right of the Senior Agent, the Senior Creditors or any other holder of Senior Debt shall at any time be prejudiced or impaired in any way by any act or failure to act on the part of any Obligor or any other Person or by the noncompliance by any Person with the terms, provisions, or covenants of the Senior Debt Documents or the Subordinated Debt Documents, regardless of any knowledge thereof which the Senior Agent, the Senior Creditors or any holder of Senior Debt may have.

Subordination and Intercreditor Agreement

- 17 -

(b) If any Senior Creditor determines that it is required to disgorge any proceeds of Collateral, payment or other amount received by such Person (whether because such proceeds, payment or other amount is invalidated, declared to be fraudulent or preferential or otherwise) or turn over or otherwise pay any amount (a "Recovery") to the estate or to any creditor or representative of an Obligor or any other Person, then the applicable Senior Debt shall be reinstated (to the extent of such Recovery) as if such Senior Debt had never been paid and to the extent any Subordinated Creditor has received proceeds, payments or other amounts to which Subordinated Creditor would not have been entitled under this Agreement had such reinstatement occurred prior to receipt of such proceeds, payments or other amounts, upon written demand (specifying the funds that were wrongfully paid to Subordinated Creditor, in reasonable detail) Subordinated Creditor shall turn over such proceeds, payments or other amounts to the Senior Agent (to be held and/or applied by the Senior Agent to the Senior Debt in accordance with the terms of the Senior Debt Documents as if the Distributions were a payment thereunder until all Senior Debt is Paid in Full).

8. Notice of Acceptance and Other Waivers

(a) To the fullest extent permitted by applicable law, Subordinated Creditor hereby waives: (i) notice of acceptance hereof; (ii) notice of any loans or other financial accommodations made or extended under the Senior Debt Documents, or the creation or existence of any Senior Debt; (iii) notice of the amount of the Senior Debt; (iv) notice of any adverse change in the financial condition of any Obligor or of any other fact that might increase any Subordinated Creditor's risk hereunder; (v) notice of presentment for payment, demand, protest, and notice thereof as to any instrument among the Senior Debt Documents; (vi) notice of any Default or Event of Default under the Senior Debt Documents or otherwise relating to the Senior Debt; and (vii) all other notices (except if such notice is specifically required to be given to the Subordinated Creditor under this Agreement) and demands to which any Subordinated Creditor might otherwise be entitled.

(b) To the fullest extent permitted by applicable law, Subordinated Creditor waives the right by statute or otherwise to require the Senior Agent, any Senior Creditor or any holder of Senior Debt to institute suit against any Obligor or to exhaust any rights and remedies which the Senior Agent, any Senior Creditor or any holder of Senior Debt has or may have against any Obligor. Subordinated Creditor further waives any defense arising by reason of any disability or other defense (other than the defense that the Payment in Full of the Senior Debt has occurred (subject to the provisions of Section 7)) of any Obligor or by reason of the cessation from any cause whatsoever of the liability of such Obligor in respect thereof.

(c) To the fullest extent permitted by applicable law, Subordinated Creditor hereby waives: (i) any rights to assert against the Senior Agent, the Senior Creditors or any other holder of Senior Debt any defense (legal or equitable), set-off, counterclaim, or claim which any Subordinated Creditor may now or at any time hereafter have against any Obligor or any other party liable to the Senior Agent, the Senior Creditors, any other holder of Senior Debt; (ii) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of any Senior Debt, any Subordinated Debt or any security for either; (iii) any defense arising by reason of any claim or defense based upon an election of remedies by the Senior Agent, the Senior Creditors or any other holder of Senior Debt; and (iv) the benefit of any statute of limitations affecting any Subordinated Creditor's obligations hereunder or the enforcement thereof, and any act which shall defer or delay the operation of any statute of limitations applicable to the Senior Debt shall similarly operate to defer or delay the operation of such statute of limitations applicable to any Subordinated Creditor's obligations hereunder.

(d) Until such time as the Payment in Full of the Senior Debt shall have occurred, (i) Subordinated Creditor hereby waives and postpones any right of subrogation it has or may have as against any Obligor with respect to any Senior Debt; and (ii) in addition, Subordinated Creditor hereby waives and postpones any right to proceed against any Obligor or any other Person, now or hereafter, for contribution, indemnity, reimbursement, or any other suretyship rights and claims (irrespective of whether direct or indirect, liquidated or contingent), with respect to any Senior Debt.

Subordination and Intercreditor Agreement

- 18 -

(e) Without limiting the generality of any other waiver or other provision set forth in this Agreement, Subordinated Creditor, to the fullest extent permitted by law, hereby waives all rights and defenses arising out of an election of remedies by the Senior Agent, the Senior Creditors or any other holder of Senior Debt, even though that election of remedies has destroyed any Subordinated Creditor's rights of subrogation and reimbursement against any obligor by the operation of any applicable law.

(f) None of the Senior Agent, any Senior Creditor or any other holder of Senior Debt or any of their respective affiliates, directors, officers, employees, advisors, or agents shall be liable for failure to demand, collect, or realize upon any of the Collateral or any Proceeds or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral or Proceeds thereof or to take any other action whatsoever with regard to the Collateral or any part or Proceeds thereof. If the Senior Agent or any Senior Creditor honors (or fails to honor) a request by the Obligors for an extension of credit pursuant to the Senior Credit Agreements or any of the other Senior Debt Documents, whether the Senior Agent or any Senior Creditor has knowledge that the honoring of (or failure to honor) any such request would constitute a default under the terms of the Subordinated Debt Documents or an act, condition, or event that, with the giving of notice or the passage of time, or both, would constitute such a default, or if the Senior Agent or any Senior Creditor otherwise should exercise any of its contractual rights or remedies under the Senior Debt Documents (subject to the express terms and conditions hereof), neither the Senior Agent nor any Senior Creditor shall have any liability whatsoever to any Subordinated Creditor as a result of such action, omission, or exercise. The Senior Agent and the Senior Creditors will be entitled to manage and supervise their loans and extensions of credit under the Senior Debt Documents as the Senior Agent and the Senior Creditors may, in their sole discretion, deem appropriate, and the Senior Agent, each Senior Creditor and each other

holder of Senior Debt may manage their loans and extensions of credit without regard to any rights or interests that any Subordinated Creditor may have in the Collateral or otherwise. Subordinated Creditor agrees that none of the Senior Agent, any Senior Creditor or any other holder of Senior Debt shall incur any liability as a result of a sale, lease, license, application or other disposition of all or any portion of the Collateral or any part or Proceeds thereof conducted in accordance with applicable law and the terms of this Agreement. The Senior Agent, each Senior Creditor and each holder of Senior Debt may from time to time, enter into agreements and settlements with Obligor as they may determine in their sole discretion without impairing any of the subordinations, priorities, rights or obligations of the parties under this Agreement, including substituting Collateral, releasing any Lien and releasing any Obligor. Subordinated Creditor waives any and all rights it may have to require the Senior Agent, any Senior Creditor or any holder of Senior Debt to marshal assets, to exercise rights or remedies in a particular manner or order, or to forbear from exercising such rights and remedies in any particular manner or order.

9. **Application of Proceeds.** All Collateral and all Proceeds received by any of the Senior Agent, the Senior Creditors or the Subordinated Creditor in connection with any Exercise of Secured Creditor Remedies or as a result of insurance or condemnation events, in each case, in an Insolvency Proceeding or otherwise (but subject to the provisions of Section 2.02(a)), shall be applied:

- (a) first, to the payment of the out-of-pocket costs and expenses of the Senior Agent and Senior Creditors in connection with such Exercise of Secured Creditor Remedies,
- (b) second, to the payment of the Senior Debt in accordance with the Senior Debt Documents until the Payment in Full of the Senior Debt shall have occurred,
- (c) third, to the payment of the fees, costs and expenses of the Subordinated Creditor in accordance with the Subordinated Debt Documents, and
- (d) fourth, the balance, if any, to the Obligor or to whosoever may be lawfully entitled to receive the same or as court of competent jurisdiction may direct.

- 19 -

10. **Modification.** Any modification or waiver of any provision of this Agreement, or any consent to any departure by any party from the terms hereof, shall not be effective in any event unless the same is in writing and signed by the Senior Agent the Subordinated Creditor, and then such modification, waiver or consent shall be effective only in the specific instance and for the specific purpose given. Any notice to or demand on any party hereto in any event not specifically required hereunder shall not entitle the party receiving such notice or demand to any other or further notice or demand in the same, similar or other circumstances unless specifically required hereunder.

11. **Further Assurances.** At the sole costs of the Obligor, each party to this Agreement promptly will execute and deliver such further instruments and agreements and do such further acts and things as may be reasonably requested in writing by any other party hereto that may be necessary or desirable in order to effect fully the purposes of this Agreement.

12. **Notices.** Unless otherwise specifically provided herein, any notice delivered under this Agreement shall be in writing addressed to the respective party as set forth below and may be personally served, telecopied, e-mailed or sent by Federal Express or other reputable overnight courier service or mail (certified mail, postage prepaid and return receipt requested) and shall be deemed to have been given (a) if delivered in person, when delivered; (b) if delivered by telecopy or by e-mail, when transmitted; (c) if delivered by Federal Express or other reputable overnight courier, upon delivery; or (d) if by United States mail, the earlier of receipt and three (3) Business Days after deposit in the mail, postage prepaid and return receipt requested.

13. **Successors and Assigns; Permitted Refinancing.** This Agreement shall inure to the benefit of, and shall be binding upon, the respective successors and assigns of

the Senior Agent, the Senior Creditors, the Subordinated Creditor and the Obligors. The Senior Creditors may, from time to time, without notice to any Subordinated Creditor, assign or transfer any or all of the Senior Debt or any interest therein to any Person and, notwithstanding any such assignment or transfer, or any subsequent assignment or transfer, the Senior Debt shall be and remain Senior Debt for purposes of this Agreement, and every permitted assignee or transferee of any of the Senior Debt or of any interest therein shall, to the extent of the interest of such permitted assignee or transferee in the Senior Debt, be entitled to rely upon and be the third party beneficiary of the subordination provided under this Agreement and shall be entitled to enforce the terms and provisions hereof to the same extent as if such assignee or transferee were initially a party hereto, in each case so long as such assignee or transferee is made subject to all the terms and the conditions set forth in this Agreement. Any assignment by the Subordinated Creditor of any Subordinated Debt shall be subject to Section 2.07. Subordinated Creditor agrees that any party that consummates a Permitted Senior Debt Refinancing may rely on and enforce this Agreement so long as such party is made subject to all the terms and the conditions set forth in this Agreement. The provisions of this Agreement are solely for the purpose of defining the relative rights of the Senior Creditors and the Subordinated Creditor and their respective successors and assigns, and this Agreement shall not be deemed to create any rights or priorities in favor of any other Person, including, without limitation, any Obligor, and there are no other parties or Persons whatsoever including, without limitation, the Obligors, who are intended to be benefited in any manner whatsoever by this Agreement.

15. **Conflict.** In the event of any conflict between any term, covenant or condition of this Agreement and any term, covenant or condition of any of the Subordinated Debt Documents or Senior Debt Documents, as applicable, the provisions of this Agreement shall control and govern.

All questions concerning the construction, validity, enforcement and interpretation of this Waiver shall be governed by the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of New York or any other jurisdictions) that would cause the application of the laws of any jurisdictions other than the State of New York. Each party hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in The City of New York, Borough of Manhattan, for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein, and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Waiver and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law. **EACH PARTY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE HEREUNDER OR IN CONNECTION WITH OR ARISING OUT OF THIS WAIVER OR ANY TRANSACTION CONTEMPLATED HEREBY.**
